

Welcome to Sawgrass Community Church.  
We are glad to have you join us this morning. Don't forget we start our mornings with prayer at 10AM in the conference room every Sunday. It's a great way to start the day.

## Crocodile Dock is Coming!!

At Crocodile Dock, kids will dive into Bible stories with their hearts, minds, and emotions. They'll discover ways to see God at work in their world- so their faith can grow strong. And let's not forget about the music that you keep singing long after VBS is over!

Vacation Bible School is only 4 weeks away! It's time to get our preparations started. Check out all the ways you can get involved.

### Youth Crew Leaders Training

For all youth who are interested in helping with "Crocodile Dock" this summer, there will be a mandatory training meeting on Friday, June 26<sup>th</sup> at 6:30 P.M. If you are unable to attend please make sure to see

Jill Bernard.

### VBS Supply Board

Each year, VBS is successful due in part to the support of our church body. We are once again counting on this generosity to help provide the items we need. Please look at the supply board at the back of the church to see if you can help.

### VBS Registration

The most important part of VBS is the kids. If your kids will be doing VBS this summer, please register them today or visit our website to sign them up. Be sure to invite your friends and family, too. Our groups are going to fill up fast so don't delay!

## SAWGRASS NEWS

### AWANA is Coming 09-09-09!!

Our AWANA meeting on Wednesday night went very well! We learned about all the things this awesome kid's program has to offer. It will help kids build a foundation in God's Word and they'll be having so much fun, they won't even realize that they're learning. It will also be a great outreach tool for reaching kids in the community. If you're interested in helping this fall or would like more information, contact Jill at (954)261-2586.
